Celebrating another year with a new name and a new location, the KNEB Home and Garden Expo, will be the place to gather a crowd of current and prospective clients from western Nebraska and eastern Wyoming. The attendance continues to grow and we are expecting 2016 to be our best year yet!

The single most effective way to determine what a client or customer needs is to make them aware of your products and services. The type of exposure and face-to-face meetings that you experience at a show such as this, will assist you in getting your product or service in front of the audience that you need and desire.

With an extensive advertising campaign, a full day of exhibit time, convenient show hours, and a new, more convenient location in the heart of the shopping in Scottsbluff, you can't afford to miss this show!
