AUCTIONEER NOTES: Gary & Jo Lynn Lockhart have sold their home. McEwen Auction is proud to be selected to sell the items in this one owner auction. Before coming to Norton, Gary owned and operated his own fine art auction house in Colorado. Gary & Jo Lynn acquired a taste for excellence in paintings, statues, figurines, specialty items and collections that are seldom found in this part of the Kansas. The Lockhart's offer these outstanding items on this sale. The car is a beauty! It's one you will be proud to own and a dream to drive. The scooter is one Gary had lots of fun using and wishes you the same fun as he had. There is a lineup of furniture that you can't imagine until you view it. The rest of the items are in great shape and have lots of use left in them. **Don't miss this outstanding sale!**
