

It's All Things Sorghum!

2016 SORGHUM SYMPOSIUM

Thursday, January 21, 2016

Grand Island, NE

Midtown Holiday Inn, 2503 S. Locust Street

Open to all producers & industry interested in sorghum!

The 2016 Sorghum Symposium is a farmer-focused educational program designed to provide information and resources to help farmers make confident, informed production and management decisions for their operation.

Program highlights include:

- ◆ **Long Range Weather Outlook**—Al Dutcher, UNL, State Climatologist
- ◆ **Manage Sorghum for Peak Performance**—Brent Bean, USCP Agronomist
- ◆ **Importance of Improving Soil Health**—Dan Gillespie, USDA, NRCS
- ◆ **Sorghum Under Limited Irrigation**—Chuck Burr, UNL Extension
- ◆ **Market Analyses & Dynamics**—Mike Shields, INTL FCStone, Omaha
- ◆ **Spotlight on Sorghum**, Jesse McCurry, USCP, Field Representative
- ◆ **NeGSPA Annual Meeting**—will include checkoff update and opportunity for public input
- ◆ **Commercial Exhibits**—Learn the latest!
- ◆ **Certified Crop Advisor CEU's** have been applied for
