Celebrating our 32nd year, the **KNEB Farm & Ranch Expo**, has established itself as the place to gather a crowd of current and prospective clients from western Nebraska and eastern Wyoming. The attendance continues to grow and we are expecting the **2017** show to be another sellout!

Ask vendors who have been at the show in the past, some of them for many years, and you will find that there is not another farm and ranch show in the area with the qualified traffic you need, and the hospitality and first-class service you deserve.

The single most effective way to determine what a client or customer needs is to make them aware of your products and services. The type of exposure and face-to-face meetings that you experience at a show such as this, will assist you in getting your product or service in front of the audience that you need and desire.

With an extensive advertising campaign, two days of exhibit time, convenient show hours, and a great location in the center of Nebraska Panhandle, you can't afford to miss this show!
