OCC Crackerjack 969C (RAAA # 3729107)

Redhill Julian 84S (RAAA # 1147702)

Behind every great bull there is a great cow. We operate our purebred cows the same way our customers are going to operate their commercial cows. A productive, low maintenance cow herd that efficiently utilizes available resources is key. We are able to do this with the consistency of the superior fleshing ability that we have instilled in our cows over the years.

Calvo Easy Red 126C (RAAA # 3561243)

OCC Red Grazer 610Z (RAAA # 1666776)
