

Feed Truck Operator – Livestock Operations

JKS Farms | \$18–\$20 per hour, depending on experience, plus overtime

Located just 20 minutes north of Kearney, NE

Full-Time or Part-Time Available

JKS Farms is actively hiring a dependable Feed Truck Operator – Livestock Operations to join our team. This role focuses on feeding cattle and supporting day-to-day livestock operations in a respectful, straightforward work environment.

Whether you're looking for **full-time, steady work** or a **part-time opportunity**, we're open to discussing a schedule that works.

What You'll Do

- Safely and accurately deliver feed rations to cattle
 - Maintain clean feed bunks before and after weather events
 - Observe cattle and surroundings and report concerns to management
 - Operate and maintain feed trucks, tractors, and related equipment
 - Assist with general livestock operations and facility upkeep
 - Perform routine equipment checks (fuel, fluids, greasing, cleaning)
 - Help maintain pens, fencing, and water systems as needed
 - Follow safety procedures and adapt to daily operational needs
-

Pay & Schedule

- Pay: \$18–\$20 per hour, depending on experience
- Overtime paid
- Weekday hours: 7:00 AM – 3:00 PM
- Every other weekend rotation (full-time; part-time schedule flexible)
- Full-time or part-time available
- Year-round work

What We're Looking For

- Experience in livestock operations, farming, or equipment operation preferred (but not required)
- Comfortable working outdoors in all weather conditions
- Reliable, self-motivated, and able to work independently
- Mechanical aptitude or willingness to learn
- Valid driver's license required

Work Environment & Benefits

- Respectful, team-oriented work environment
- Clear expectations and straightforward communication
- Paid time off (for eligible employees)
- Paid sick time
- 401(k) retirement plan with company match for eligible employees
- Opportunities for growth and increased responsibility based on performance

Work Location: In person
