Management

Join us for an enlightening pharmacy talk hosted by NeuroConnect, where we will explore exciting new medication management offerings! ***This event is open to our valued members, their spouses, and the wider community.*** We are thrilled to welcome Kelsey Schroder and Jackson Dubas as our speakers, who will provide insights into medication management.

To ensure we have sufficient light snacks and refreshments, please RSVP BY MARCH 13th at the Rehabilitation desk in person or by calling 402.372.2372.

We look forward to seeing you there and sharing this valuable information together!
